Stitch and Pitch

Saturday
May 16th
was the
Stitch n
Pitch
baseball
game in
Fresno. Our
family went
along with
our local
knitting

guild. We all had a great time. There was more chatting and laughing than game watching. I did get a little knitting in, I worked on a simple little scarf for my niece using Malabrigo. My friend Jenni worked on a sweater...Did I mention it was hot? I will be the first to admit, I don't even know what the score was! It was just fun to get together. We are planning on attending another game soon....
